## FOREWORD

The Toledo Federation of Art Societies presents the work of Toledo artists in the 29th Annual Exhibition with justifiable pride in its local art and with the expectation that the public will appreciate the opportunity offered to acquire some of these entries, many of which are for sale.

We are greatly indebted to the jurors for their manifest interest in these works and their sincere desire to aid in making this a good show.

The Federation wishes to thank the Museum and its staff for their co-operation; and particularly Mr. George Furman for his help and consideration during the months of preparation, for his thoroughly competent planning and handling of the judging of the pictures and his deep concern in the many details that go into the making of a successful show.

Marian D. Maxwell, *President.*
